ST. JOE PAPER COMPANY

"Keep Florida Green"--"Prevent Forest Fires"
 Port St. Joe, Fla.

In recognition of the five years you have served as our sponsor, Mrs. Hance, we proudly dedicate this "Tarpon" to you. You more than deserve this place in our annual. You have helped us to better ourselves, not only as a class, but as individuals. We will be better prepared to meet our future responsibilities because of the example you have set. You have helped us mature mentally, physically, socially, and spiritually. Words cannot express what we feel, but we give you our warmest thanks and deepest appreciation for your guidance and devotion. You will always remain in our hearts.

In Memoriam

ELIZABETH MOCK

Though Lib's desk is empty, she lives within the hearts of all her classmates. Her warm friendliness, cheerful co-operation, and indomitable courage have enriched and ennobled the lives of all who have known her. The class of 54 feels truly:

She is not dead,--the one of our affection,
But gone unto that school
Where she no longer needs our poor protection
And Christ himself doth rule.

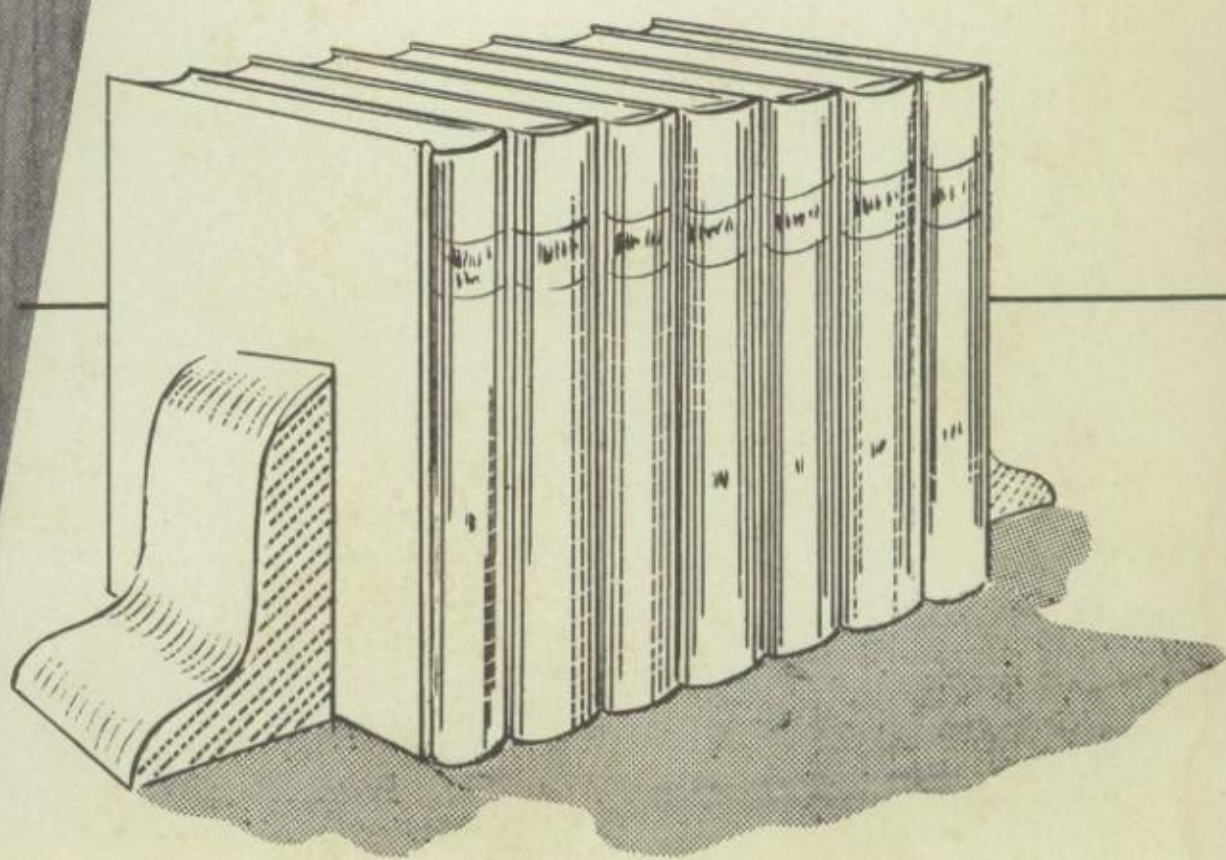

In that great cloister's stillness and seclusion,
By guardian angels led,
Safe from temptation, safe from sin's pollution,
She lives, whom we call dead.

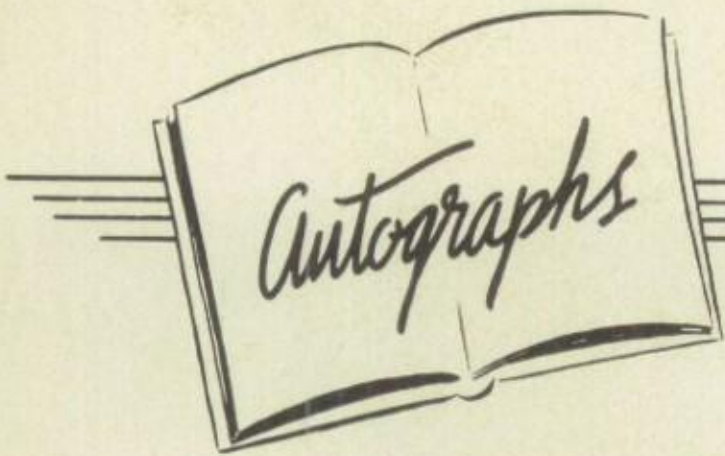

Day after day we think what she is doing
In those bright realms of air;
Year after year, her gentle steps pursuing,
Behold her grown more fair.

Thus do we walk with her, and keep unbroken
The bond which nature gives,
Thinking that our remembrance, though unspoken,
May reach her where she lives.

Senior Farewells

The years at C.H.S. have been wonderful. We have had our problems, sure, but what would life be like if we didn't have problems? Thanks for the good times, and may God guide you in all your undertakings. -----Ann Warren

As I look back over my last two years of high school, which I have spent here in C.H.S., I realize that they are the happiest two years I'll ever have. "Thanks for the many pleasant memories." -Clinton Logan

I will always remember my twelve years in "Dear Ole C.H.S." They have been happy and enjoyable ones. There's work and play in everything, but what you do here in school has a lot to do with your future. Farewell, my friends, until we meet again. -----Barbara Hutchison

All through school we have waited for one day, GRADUATION. Now that it's here, I think about all the good times I have enjoyed, and all the friends I have made, and I hate to leave. To the Seniors of '55, I leave my best wishes, and the very best of luck. -----James Bradford

I shall never forget the many friends I have made in C.H.S. May you find happiness and success in everything you do. I never like to say good-bye, so I'll just say, "I'll see you." -----Betty Lou Winchester.

Though this is where our path-ways part, I cannot say good-bye, but rather, God bless you and keep you, and nothing but the best befall you. Good luck. -----Edward Smith

The two years I have attended school at C.H.S., I have learned to love the people very much, and have made many friends. I have enjoyed these years more than any others I have ever spent at other schools. ---
-----Maxie Gray

Farewell to a grand school, where the teachers have taught me many things which I will always use in the future. -----Prentice Crum

Of all the ups and downs at C.H.S., the ups have greatly outnumbered the downs. Always do the best in everything you undertake and you will be climbing the ladder to success. -----Joanne Barber

Since I almost quit school once, I am now very proud to say that I am a graduate of C.H.S. Thanks to the Principal and the wonderful teachers who have helped me. -----Annie Carolyn Tucker

I have enjoyed my many years at C.H.S. and now I say farewell, but not good-bye. May God bless you. -----Estelle Smith

I have sincerely enjoyed all the years that I have been in C.H.S., and I hope that all future students will be as happy as I have been. Study while you are in school, and you will have plenty of time to have fun when you are out. Farewell to my friends, teachers, and Dear Ole C.H.S. -----Mary Massey

Farewell to the faculty members who have helped me accomplish my goal. To my fellow students, farewell, and may you soon be Seniors. No matter how hard you have to struggle to get through school, you can do it. -----T. J. Massey

As I leave you at the end of '54, I want to wish that luck and happiness go with you during the years that you are in school. I wish to bid farewell to the members of the faculty who in the past few years have helped me to become a better and more prominent citizen. Thanks. -----Franklin Murray

I am honored to graduate--and believe me, it wasn't too easy. I'm leaving school, but I hope I will see my fellow students and friends often. So, I say farewell for the time being. -----George Creamer

Farewell to all the good times I've had at C.H.S. May the students coming up be as proud to graduate from this school as I am. -----Albert Cumble

Farewell to C.H.S., where I've spent the best years of my life. They are gone and they can't be brought back, but I've enjoyed them. -----Jimmy Putnal

Though this is my last year at C.H.S., I wish to say that I have enjoyed going to school here. Good luck to all of my friends and teachers, and may God bless you always. -----Ruffus Messer

Class Will

I, Edward Smith, will my ability to sing and play baseball to Raymond Hall, because of his great love for Sports and Music.

I, Betty Lou Winchester, will my innocent eyes to Devon Thompson in hopes that she may have many beaux.

I, Annie Carolyn Tucker, will my figure to Pat Massey to improve her luck with the boys.

I, Bobbye Hutchison, will my voice to Bobbye Rickards, so that she can talk louder.

I, Clinton Logan, will my modesty to Betty Thompson, so that she can get along with people.

I, Estelle Smith, will my friendly ways to Maxine Sanborn so that she can get along with her classmates.

I, Joanne Barber, leave my wittiness to Marlene Littleton so that she will not be so serious minded.

I, Ann Warren, leave my figure to Lena Millender so that she can't go with all of the new boys.

I, Tommy Jack Massey, will my ability to get along with Mrs. Ruth Hance to Gordon Millender, in hopes that he will be a better student.

I, James Bradford, will my quiet manner to Wesley Putnal so that he can make A's in citizenship.

I, Jimmy Putnal, leave my side-burns to Willard Vinson, because he tries so hard to grow some.

I, Franklin Murray, will my red hair to Pete Millender because, "Every body Loves Redheads."

I, Prentice Crum, leave my ability to catch a wife to Henry Bryant, because he needs a little help.

I, Mary Massey, will my curly hair to Jenny Justiss, so that she will not have an excuse for her straight hair.

I, Albert Cumbie, leave my way with the women to Raymond Hall, so that he can get a girl friend.

I, Maxie Gray, leave my ability to tell lies with a straight face to Burnell Brock, so that she can stay out of trouble.

I, George Creamer, will my rythmn to Betty Jewel Taylor, so that she can learn to dance.

Class Prophecy

Well its 1964, and our old High School Class is having a party at the new Stork Club out here in California. As hostess I had better look the crowd over and see if verryone is here.

There is Maxie Gray with her fourth husband. The blond in the red dress. Her present husband owns a very famous Night Club out here.

Ahoy! There's Admiral James Bradford over there. Jimmy has gone far in the Navy, personally I think he still likes to have fun like a swabbie.

Who is that girl covered in diamonds? Oh yes, it is Estelle Smith, better known as Diamond Stell. Her collection of diamonds are world famous as well as her convertible cars.

Look, there's Albert Cumbie, the Mayor of New York, he is having an inauguration ball next week. He really has something to celebrate.

I see Mary Massey with her husband Ed Brown, she is a star feature at Maxie's husband's club, where she dances and sings in the old Rita Hayworth style. She must have left her two lovely children at home.

I believe that is George Creamer the famous Band Leader talking to Joanne Barber Cooper, a wonderful housewife and mother.

I see Edward Smith the professional baseball pitcher with his fellow team-mates who won the Pennant this year.

Here's Ann Warren, I hear she is on vacation from her very busy career as Supt. of Nurses in the New Orleans Hospital.

There is Tommy J. Massey who owns the largest car upholstery business in Florida. Isn't that Ruffus Messer with him? Ruffus is the carpenter who supervised building the New Stork Club out here.

Well, we are honored to have with us this night the Reverend Clinton Logan, pastor of the First Methodist Church in Marianna.

Look, there's Franklin Murray with his wife Nancy. Red in now coaching in our dear old Alma Mater.

Here's my dear friend Bobbye Hutchison Riley who has a very nice job as secretary in the new office building in Miami, where she settled after a trip around the world.

Here is Prentice Crum and his wife Joyce who are living in New York where Prentice has followed his profession from School Bus Driver to the owner of "Trans-City" Sight Seeing Busses.

Who is that distinguished looking young man? My, it is Jimmy Putnal who owns a car lot in Tallahassee.

Have I forgotten anyone? Myself? I'm Betty Winchester Wingate and I must find my husband. It is time to go as we told our four children we would be home early.

GOOD NIGHT ALL AND MAY WE MEET AGAIN.

Junior Grumbles

Willard would like to know why he can't miss two or three days of school a week and still pass.

Pat wonders why Bus, Gordon, and Henry can't quit teasing the Junior girls.

Jennie wonders why Miss Carter makes the basketball girls run so many laps each day.

Bettie Jewel wonders why she can't stay in Carrabelle more than four nights a week.

Betty Thompson wonders why she is getting wrinkled around the eyes--Maybe she winks at the boys too much.

Maxine wonders why some seniors are so "snooty" this year.

Lena wonders why the seniors have asked such pleasant people as the Juniors to "Grumble."

Bobbie wonders why the school can't get new type writers.

Marlene would like to know why Mr. Herrington counts off a point for every error.

Billy K. wonders why Mrs. Stubbs gives you an "F" for cutting play practice.

Gordon wants to know why we have to line up for lunch.

Pete wants to know why freckle cream doesn't remove her freckles.

Devone wonders why we can't have more study halls and less study.

Henry wants to know why all the teachers give us tests at the same time.

Burnell wonders why Mrs. Ruth has to be so strict with math assignments.

Raymond wonders what would happen if the Junior boys couldn't argue.

Wesley wonders why we can't run in the halls and on the steps at lunch.
